dated 20th December, 2016

To,

1. The Secretaries/Principal Secretaries of all the State Govts / UT Administrations dealing with Vocational Training
2. The Directors dealing with Vocational Training of all States/ UT Administrations

Subject: On-line admission of ITI Trainees, for March – May 2017 Public examination of NIOS:

Sir,

This is in continuation of our earlier letter of even Number dated 19th July, 2016 regarding MoU signed between DGT and National Institute of Open Schooling (NIOS) to put in place a system of academic equivalence to ITI qualification.

In this regard it is informed that fifteen "Central field Institutes" of DGT have been registered with NIOS as "Special Accredited Institution for Academic and Skill Development" (SAIASD) (list annexed) so that they support the learners in the admission process and their participation in the above examination to acquire academic qualifications by availing benefit of the above arrangement. The first examination specially for ITI learners was successfully conducted on 10th -11th December, 2016 around 1000 trainees appeared in this exam.

It is further informed that, online admission of ITI Trainees, for March – May 2017 Public examination of NIOS, are open in which the trainees can choose their study centre from the established SAIASD only. SAIASD can also do offline Admission and submit the online/offline forms to their respective NIOS Regional Centre. The 2nd phase of admission of ITI learners may be done under stream - 1 block - 1, 2016-17 with examination fee **till 20th January 2017** for the March – May examination 2017. **The 2nd phase admission of ITI learners will be respected only through the SAIASD for both online and offline admission.**

You are requested to issue necessary instruction to all Government and Private ITIs of your respective states, so that trainees of ITIs could avail the benefit of the above facility. You are also requested to give wide publicity of above exam and extend support and services to connect trainees interested in above exam to SAIASD so that they could enroll themselves..

Mine yours faithfully

(Deepamkar Mallick)

Dy. Director General of Training
